V. Reports

i. Friends update

VanOrman

The Friends of the library netted \$1,533.95 at their latest booksale in May. They are considering changing up how they sell and dispose of books and will have a committee discuss the matter. They also discussed what to do with the memorial money for former Friends Treasurer Sydney Burkhardt. There is about \$3,000 in the fund. Some suggested putting a piece of artwork in the Gardens, but there are several changes and potential pieces of art already planned. I suggested using the memorial to redesign the new books area by removing the large wooden furniture unit and replacing it with free-standing tables, thus freeing up the shelves behind the unit for new materials. The Friends will check with Burkhardt's family to see if this is amenable.

ii. Foundation update

Foley

A Foundation committee is working busily on redoing some of the beds in the Georgiana Smith Memorial Gardens. Their priorities are the bed in the northwest corner and the one by the outside dropbox. They're also seeking out furniture and assisting with repair of the irrigation system. The Foundation recently cut a check to the District for \$30,000 to use for Gardens projects. They'll be contributing another \$15,000 toward electronic resources, magazines, and newspapers in 2015-16.

iii. May financial statements

Nielsen

The May financial statements were unavailable at the time the meeting packet was distributed.

iv. Director's report

Nielsen

- We've hired a new Public Service Clerk, Sarah Rowe. She recently moved here from Wisconsin. Sarah graduated from Maranatha Baptist University with a degree in Humanities & Applied Sciences. She is fluent in Spanish and recently spent a semester teaching English in Peru.
- May 2015 circulation of District-owned materials at District locations was up 1% over last year.

502 State Street
Hood River · OR 97031

541 386 2535

www.hoodriverlibrary.org

- May 2015 program statistics were up 32.8% over last year. Year-to-date program attendance already is up 38.6% over all of last year.
- I am contacting garden maintenance firms to get quotes on doing regular maintenance on the Georgiana Smith Memorial Gardens. WINGS came out recently and weeded some plant beds, including ripping up the area near the outside dropbox as well as tearing up all of the plants in the northwest bed. I also am trying to find firms that can help patch the concrete wall along Oak Street, including extending the wall along the north border of the plant bed.
- I am meeting with the School District next week to work on the agreement to move the Cascade Locks Library into the Cascade Locks School. Cascade Locks is high on my priority list right now so that we can take advantage of the space being offered by the School District.
- We will be getting a computer donated for a special purpose: hosting a searchable database of the History Museum of Hood River County's digitized photography archive. This computer will reside in the Columbia Room. In addition to the library, there is already such a station at the Museum, and the City of Hood River hopes to have one, too.
- Evergreen, the software we use to run the library, was upgraded to a new version three weeks ago. Patrons should see improvements to the search speed and relevance of search results. There were also several back-end improvements that staff will appreciate.
- Outreach Specialist Patty Lara-Martinez was recognized by the Odell Coalition, a community improvement group, for her efforts reaching out to Odell and providing library services there.
- On Saturday, June 6, Hood River Library hosted a regular meeting of the Oregon REFORMA chapter, of which the District is a member. Lara-Martinez spearheaded getting the meeting in Hood River. REFORMA is a national association devoted to promoting library and information services to Latinos and Spanish speakers.
- The first visit for the District's 2014-15 audit was on June 10th. Pauly Rogers and Co. are the District's auditors. As with previous years, they saw no major concerns. They will visit again in the fall/winter.
- Staff are moving forward with implementing a cooling shelter at Hood River Library. Providence Hood River Memorial Hospital will be donating reusable water bottles for the event. The District's Safety Committee will discuss the best ways to serve patrons in this capacity.
- The District's website is being migrated away from Plinkit, the State Library-hosted website management system, to WordPress, a popular open source website management system. Plinkit, which was designed specifically for libraries to help get them online, is being discontinued.
- Newly-minted Hood River Valley Senior Center Executive Director VanOrman and Assistant Director Rachael Fox are starting to meet regarding ways the two organizations can partner.
- A Board member inquired of one of our staff whether Board members are eligible to participate in the Summer Reading program. I believe that in the past the Board has preferred that the members themselves not be eligible to receive prizes but that members' children certainly were eligible. This would be a great item for discussion.

VI. Previous business

VII. New business

i. 2015-16 budget approval (ACTION)

Nielsen

Attachments:

- VII.i.a. 2015-16 proposed budget
- VII.i.b. Resolution 2014-15.011, adopting budget and setting tax rate

Annually, the Board must approve the budget and tax rate for the coming fiscal year. The proposed 2015-16 budget, as approved by the Budget Committee at their May 26 meeting, is included in this meeting packet. There are no additional proposed changes from what the Budget Committee approved, unless Board members have recommendations. Final 2015-16 budget approval requires passage of Resolution 2014-15.011. Following approval, I submit the proper paperwork to the County and State.

ii. Approval of recurring payments for 2015-16 (ACTION)

Nielsen

Attachments:

- VII.ii. Resolution 2014-15.012, authorizing online and automatic payments

Our auditors, Pauly Rogers & Co., recommend that the Board annually authorize the specific list of vendors whom we pay online and/or automatically. The attached resolution provides this authorization. Online payments save significant time and money for the District.

iii. Cascade Locks Library lease agreement (ACTION)

Nielsen

Attachments:

- VII.iii.a 2015-16 IGA with Cascade Locks to lease branch space
- VII.iii.b IGA Appendix A, Cascade Locks community school concept
- VII.iii.c IGA Appendix B, MOU between Cascade Locks and Hood River County

While moving Cascade Locks Library into Cascade Locks School is a very high priority for me now, we will still need to spend some time in the City of Cascade Locks City Hall. This IGA renews our agreement with the City to keep the branch there. Our rent is \$1,600 annually, pro-rated based on how long we'll actually be staying there. The two appendices are documents the Cascade Locks City Council wished to have appended to the agreement when it was originally signed three years ago. I recommend leaving the document as-is. The Cascade Locks City Council will approve the IGA at their June 22 meeting.

iv. Sage Systems Librarian contract renewal (ACTION)

Nielsen

Attachments:

- VII.iv.a. IGA with Sage Library System to provide Systems Librarian
- VII.iv.b. Sage Library System fund draft budget

The District hosts an employee who works on behalf of all Sage libraries. His name is Brent Mills, and his position is Sage Systems Librarian. He works out of Hood River Library one day a week and remotely from his home the other days. Sage Systems Manager Beth Longwell primarily directs his work, per the contract. The position is full-time. Sage's fiscal agent is Baker County Library District.

This intergovernmental agreement has no direct financial impact on HRCLD; all costs associated with

the position are reimbursed by Sage. These include salary, health benefits, retirement, workers' compensation, and payroll taxes. Travel and conference costs are paid through Sage as well. The new Sage Library System fund in the 2015-16 budget allows us to better isolate the costs of this position so that they don't skew the costs of operating the District's own direct services. There are indirect costs related to my administration, such as conducting evaluations and processing timesheets. However, I feel that the benefits of us hosting this position outweigh its costs. Brent often will test fixes and improvements to software on us, meaning that we get bleeding edge improvements before many other Sage libraries.

This agreement was vetted by legal counsel last year and has no major changes this year.

v. Discussion of 2015-16 President and Vice-President positions

VanOrman

At the July meeting, the Board will elect a new President and Vice President. For this agenda item, the Board will discuss who is willing to do those position.

vi. Discussion of 2015-16 regular meeting time

VanOrman

The Board's current regular meeting time is the third Tuesday of the month at 7.00p. Annually the Board must adopt a resolution setting its regular meeting time. The Board will discuss the best meeting times so that a resolution can be passed during the July meeting.

vii. Executive session: Library Director evaluation

VanOrman

An executive session will be held for the Library Director's annual evaluation. Executive session materials will be sent separately.

viii. Library Director contract renewal (ACTION)

VanOrman

Attachments:

- VII.viii. Draft Library Director contract for 2015-16

The Library Director is the only District employee who works directly for the Board and also is the District's only contract employee. The contract typically is renewed annually. The attached draft has some changes from previous years:

- On the first page, the contract mentioned that the Director's hiring, firing, and discharging of employees and volunteers is subject to Board approval. The District's legal counsel advises against this, as it keeps the duties of the Board and executive separate. The Board still handles grievances, however.
- Also on the first page, I thought it was important to note that part of the Director's responsibilities is achieving the current strategic plan.
- On page 3, membership dues, I have not found much benefit to the District for paying my American Library Association dues. Between it, the Public Library Association, and the ALA's management association, dues are over \$250 per year. Therefore, I'd like to remove the specific requirement that the Board must pay those dues.
- Also on page 3, general practice has been that the Director must check only with the Board President, not the entire Board, when planning to use leave.
- On page 4, I've updated the amount of vacation that can rollover to match recent Personnel Policy changes.
- Also on page 4, it also is District policy to pay for unused holiday leave. Such leave can accrue

if an employee doesn't use all of the hours on the day of the holiday or doesn't typically work on the day of the week when the holiday falls.

I have updated the compensation (page 3) to reflect the adjusted Library Director salary scale. I currently am on step 4 of that scale.

VIII. Agenda items for next meeting, July 21, 2015

VanOrman

- Swearing in of new Board members
- Review of strategic goals
- Board officer elections
- Appointing agents of record
- Resolution establishing regular meeting time
- Legal services contract renewal

V. Reports

i. Friends update VanOrman
In addition to the written report regarding the Friends, VanOrman noted that the group has donated \$12,000 to the District so far this fiscal year. She also reminded people that the annual booksale is Thursday-Saturday, May 28-30.

ii. Foundation update Foley
In addition to the written Library Foundation report, Bayer noted that the group is giving \$45,000 to the District this year, including \$30,000 in the 2014-15 fiscal year for Gardens projects and \$15,000 in 2015-16 for magazines, newspapers, and electronic resources. The Foundation has a committee working on the Gardens, specifically getting new plant bed designs and selecting furniture. The Foundation also has a new board member, Jo Smith, a literature/writing professor at the University of Oregon.

iii. April financial statements Nielsen
The Board reviewed the April 2015 financial statements. One board member inquired about monthly expenditures, which are about \$70,000-75,000. This means the District needs about \$300,000 in unappropriated ending fund balance in the budget to carry it through until November, when new tax

revenues start arriving.

iv. Director's report

Nielsen

In addition to his written report, Nielsen noted the following:

- The new date for the District Budget Committee meeting is Tuesday, May 26, 6.00p in the Columbia Room of Hood River Library..
- The 2015 Evergreen International Conference, which was hosted at the Hood River Inn on May 13-16, went well. About 125 people from across the United States and Canada attended.
- The Hood River Library currently is exhibiting Finding Peace, a show from Columbia Gorge Community College (CGCC) that is traveling around the Gorge. The exhibit is in the Meeting Room.
- The CGCC Hood River Campus recently paid host to the 2015 Oregon Information Literacy Summit. Approximately fifty mostly academic librarians attended. It was focused on accelerated learning, library instruction, and information literacy.
- Nielsen is considering doing Japanese-style garden in the northwest plant bed, on Oak and Sixth. Nielsen also is looking for good concrete contractors to repair the historic wall and extend it out properly to the Sixth Street sidewalk.
- Board members discussed the Hood River Library being a cooling shelter. It would not be much of a disruption. The District will be getting reusable water bottle donated for the event. One Board member wondered if the shelter would attract the homeless. Nielsen stated that the homeless already are frequent and responsible library users. Parking is an issue, although the Hood River News parking lot is an option on weekends and after 5.00p on weekdays.
- Snyder commented that it's fantastic that the District has become a strong net lender of materials in Sage. It's a testament to our collection development staff.

VI. Previous business

i. Family Medical Leave policy (ACTION)

Nielsen

The Board reviewed proposed changes to the Family Medical Leave policy, section 11.15 of the Personnel Policies. The only change to the proposed policy was to remove the term "unpaid" from section 11.15.4, since paid parental leave was not being added as discussed during the April meeting. Sheppard asked why the District didn't adopt Hood River County's policy. Snyder responded that they looked at doing this when the District was new but Hood River County was a much larger employer and had unions, so the policies weren't useful. Foley moved to adopt the Family Medical Leave Policy as amended and attached. Vaivoda seconded. The motion carried unanimously.

VII. New business

i. Financial Management Policy revisions (ACTION)

Nielsen

The Board reviewed proposed changes to the Financial Management Policy. There was a subcommittee that originally wrote the policy in 2011. The then School District Finance Director Nick Hogan was a member of that committee. The policy already includes several safeguards, such as requiring one Board member and one staff person to sign checks.

In addition to the proposed changes, Nielsen added a change to require the District to carry a fund equivalent to seventy-five percent of the value of outstanding vacation accrual. This will help ensure that the District has funds to cover future employee departures.

The Board discussed several topics on the proposed changes. Minor wording changes were made to several sections to clarify meaning. Some members wondered whether it was advisable to require credit checks for individuals whose names are on District credit cards. Nielsen will inquire about the matter. Nielsen also noted that the District has sufficient coverage to replace all of its property in case of damage. The possibility was raised as to whether the Board should approve surplussing District property. The consensus was to leave that decision up to staff, as it would clog Board meetings and delay the process. It was also asked if consumables are included as part of the District's inventory. Nielsen responded that they could be but aren't currently.

Oates moved to adopt Resolution 2014-15.010, adopting the Financial Management Policy as amended and attached. Foley seconded. The motion carried unanimously.

ii. 2015-16 salary schedule (ACTION)

Nielsen

Nielsen presented the proposed 2015-16 salary schedule. It includes a 1.5% cost of living increase for all classifications except Library Director, which received a shift to its scale at the April meeting. Oates moved to accept the 2015-16 salary schedule as presented. Foley seconded. The motion carried unanimously.

iii. WINGS Gardens maintenance contract (ACTION)

Nielsen

Nielsen presented an annual Gardens maintenance contract with the nonprofit WINGS program, which works with previously homeless young people to give them job skills. WINGS will be used to remove leaves and snow, clear paths, repair and weather coat furniture, and similar activities. They will not be used to weed plant beds; the District will hire a professional for such work. The cost of the annual contract has been reduced from a maximum annual of \$8,000 to \$4,000. Snyder moved to approve the WINGS contract as presented.. Oates seconded. The motion carried unanimously.

If property is deemed of particular use to a library, it shall first be offered for sale to other libraries in the District's consortium or in Oregon. Funds received from sale of property shall be considered miscellaneous income into the fund from which the property was or would have been purchased.
3. Donated: If property is deemed to have little value, it shall be offered for donation if it is not cumbersome to do so. Property also may be donated rather than sold if the donation would provide significant good will benefits to the District. If property is deemed of particular use to a library, it shall first be offered for donation to other libraries in the District's consortium or in Oregon. Unless they are considered of particular value, discarded collection materials shall be donated to the Friends of the Hood River County Library.
4. Discarded: Property that has no value or cannot be sold, traded, or donated shall be discarded. The District prefers to discard property with a service that recycles all or a portion of the property. Otherwise, the District shall discard property through its regular waste disposal service.
 - Hazardous substances shall be discarded in accordance with proper safety procedures.

Any electronic equipment that stores documents, licensed software, copyrighted material, personal information about District patrons, staff, or Board members, or other sensitive information shall be erased before being disposed per this policy.

Budget Committee Meeting Minutes

Tuesday, May 26, 2015, 6.00p

Columbia Room

502 State St, Hood River

Budget officer: Buzzy Nielsen

Minutes prepared by Library Director Buzzy Nielsen

Present: Jen Bayer, Mary-Ethel Foley, Monica Zorza Hockett, Nick Hogan, Buzzy Nielsen (staff), John Schoppert (Board member-elect), Jean Sheppard (Board member-elect), Sara Snyder, Suzanne VanOrman

I. Nomination and election of Chair

The meeting was called to order at 6.15p. Nominations for Chair were taken from the floor. VanOrman nominated Hogan. Foley seconded. Hogan declined. VanOrman nominated Snyder. Hogan seconded. The motion carried unanimously.

II. Additions/deletions from the agenda (ACTION)

Snyder

VanOrman moved to accept the agenda as presented. Bayer seconded. The motion carried unanimously.

III. Conflicts or potential conflicts of interest

Chair

None stated.

IV. Budget message

Nielsen

Nielsen presented the budget message, an overview of the message provided in the meeting packet. Snyder asked why the unappropriated ending fund balance in the General Fund was high. Nielsen responded that the District was still figuring out costs from being an independent entity and that he was more comfortable leaving it high currently in case of unexpected costs.

V. Presentation of proposed budget

Nielsen

i. General Fund

Nielsen presented the General Fund, as proposed in the meeting packet. Committee members caught two errors in the presented document: 1) On the revenues table, the "Approved by Budget Committee" column was completed inadvertently. 2) On the expenditures table, line 73 (water) had an incorrect formula that resulted in a slightly higher figure than it should have been. Sheppard asked if the Library Foundation is helping with Gardens expenses, given the large increase in cost over 2014-15. Bayer answered that they hope to have a sustaining giving program to support Gardens maintenance, but the current \$30,000 they're donating is for improvements. Thus, the \$20,000 line item is coming paid from General Fund rather than Grants revenue.

ii. Capital Equipment Reserve Fund

Nielsen presented the Capital Equipment Reserve Fund, as proposed in the meeting packet. This fund is used for large facilities and equipment expenditures, such as building repairs. Hogan inquired if the committee might want to have some contingency in the fund. Snyder responded that the District is

trying to build up the fund so that it has sufficient monies to upkeep its facilities. In response to a question before the meeting, Nielsen also noted that the new courier vehicle will come from a grant and thus its cost isn't reflected in the Capital Fund.

iii. Grants Fund

Nielsen presented the Grants Fund, as proposed in the meeting packet. Nielsen explained many potential grants the District could get, such as ones for the renovated Cascade Locks and Parkdale branches. Donations from the Friends of the Library and Library Foundation also go through this fund. Hogan noted to check the ending fund balances for the prior years, as the calculations appeared incorrect. Nielsen corrected the error. There were no further questions on the fund.

iv. Sage Library System Fund

Nielsen presented the Sage Library System Fund, as proposed in the meeting packet. This is a new fund that will be used to administer the Sage Systems Librarian, a position the District contracts with the Sage Library System to provide. Putting the position into a separate fund helps better reflect the District's General Fund costs and simplifies administering the position itself. There were no questions about the fund.

VI. Public comment

Snyder

There was no public comment.

VII. Budget Committee questions and deliberations

Snyder

There were no further questions from the Budget Committee.

VIII. Approval of budget (ACTION)

Snyder

Hogan moved to approve the budget resolution, approving the 2015-16 budget and the tax rate of 0.39 per \$1,000 of assessed property value. The budget was set at the following amounts:

- General Fund: \$1,346,161
- Capital Equipment Reserve Fund: \$128,701
- Grants Fund: \$311,000
- Sage Library System Fund: \$65,875
- *Total: \$1,851,737*

VanOrman seconded the motion. The motion carried unanimously.

IX. Recess or adjournment

Snyder

The meeting adjourned at 6.55p.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) dated December 20, 2009 is by and between HOOD RIVER COUNTY, a home rule county and political subdivision of the State of Oregon (the “**County**”) and the City of Cascade Locks, a municipal corporation of the State of Oregon (the “**City**”) for the purpose of setting forth the parties’ understanding of their respective rights and obligations pursuant to the provisions of ORS 198.870 relating to withdrawal of territory from a district. County and City are referred to herein as the **Parties**.

RECITALS:

- A. The County intends to form a county-wide library district pursuant to ORS Chapter 198 and ORS Chapter 357, whose boundaries would include the cities of Hood River and Cascade Locks;
- B. ORS 198.835 provides that if any part of the territory subject to formation of a district is within a city, the order initiating formation of the district shall be accompanied by a certified copy of a resolution of the governing body of the city approving the order;
- C. The County has requested such a resolution from the City, recognizing that the City’s consent is required for inclusion in the proposed library district;
- D. The City has expressed reservation that its citizens would be subject to assessments and taxes levied by the district without any guarantee that it would continue to receive library services from the district at its local branch;

E. The County understands the City's concerns regarding the future of its library services and has therefore offered to enter into this MOU to acknowledge the City's right to withdraw from the district in the event the City no longer received library services from the district.

NOW THEREFORE, THE PARTIES ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. If the City adopts the resolution consenting to formation of the proposed library district, and the district decided to close the Cascade Locks branch at some future date, Cascade Locks could be withdrawn from the district pursuant to ORS 198.870 and would thereafter be free from assessments and taxes levied by the district.

2. Pursuant to the requirements set forth in ORS 198.755(3), a petition for withdrawal must be signed by not less than 15 percent of the electors, or 100 electors, whichever is the lesser, registered within the district, or in the alternative, 15 owners of land or the owners of 10 percent of the acreage, whichever is the greater number of signers, within the district. The petition would be filed with the County board.

3. Pursuant to the criteria set forth in ORS 198.870(4), the County must approve the petition "[i]f it has not been, or is not or would not be, feasible for the territory described in the petition to receive services from the district."

4. The County recognizes that closure of the library branch in Cascade Locks would satisfy these criteria.

5. The City recognizes that an election on a withdrawal petition may or may not be required pursuant to the provisions of ORS 198.875.

6. The Parties recognize that if withdrawn, the City's electors would thereafter be free from assessments and taxes levied by the district pursuant to the provisions of ORS 198.880

and ORS 198.882.

7. The County further agrees to consult with the City should a dispute over allocation of resources or level of service at the Cascade Locks branch arise between the City and the district.

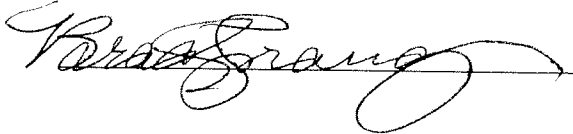

8. This MOU constitutes a statement of the current intent of the Parties, who acknowledge that it does not create a binding agreement and may not be relied upon as a basis for a contract by estoppel or serve as a basis for a claim based on detrimental reliance or any other theory.

9. Either party may terminate this MOU in writing stating the reasons for such termination.

10. This MOU shall be effective as of the date and year written above.
